within the State of South Carolina and for)	
Alternative Regulation)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Phone1, Inc. (Phone1 or the Company) to cancel the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted Phone1 authority to provide resold interexchange telecommunications services within the State of South Carolina by Order No. 2007-226, dated April 4, 2007.

By letter filed December 3, 2008, from a consultant to the Company, Phone1 seeks cancellation of the Company's Certificate and withdrawal of the Company's South Carolina Tariff No. 1 on file with the Commission. According to Phone1, the Company has no presubscribed customers in South Carolina and has ceased its operations for offering telecommunications services in South Carolina.

As Phone1 is not providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that

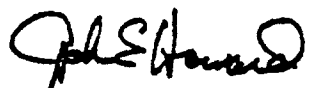

Phone1's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services within the State of South Carolina authorized by Order No. 2007-226, dated April 4, 2007, issued to Phone1, Inc. is hereby cancelled.
 2. The tariff of Phone1, Inc. is hereby withdrawn.
 3. Phone1, Inc., if applicable, remains responsible for any assessments due during any year that the Company has operated in South Carolina.
 4. This Order shall remain in full force and effect until further Order of the Commission.
